

NOTICE

This is to notify that we, SIGMA MARKETING (SINGAPORE) PTE LTD registration number 199104673C as authorised distributor of SIGMA cameras, lenses and their accessories have found that some of the serial numbers of the Sigma products are tampered with, or are altered, removed, defaced, erased or replaced with another false serial number. Hence, our Management will not be able to honour the warranty issued locally or by SIGMA Corporation of Japan should the serial numbers in the products are found not to be authentic as it is an expressed term in the warranty that any tampering of the serial number shall render after sales service in the warranty null and void.

Further, our Management disclaims all liability found in the tampered products.

However, we welcome any queries to this Notice and our customers could submit their written queries to our address below:
